

YOU can make a lifesaving difference.

Kennel Sponsorship Program

FAPS' Kennel Sponsorship Program provides a great opportunity for families, community groups and companies to support and help care for the animal at their local no-kill animal shelter. For a sponsorship donation of **\$300**, you will receive an engraved plaque placed over a kennel for one year (renewable). You will also be listed on the FAPS website as a proud kennel sponsor!

You can sponsor a kennel as an individual or family, give a sponsorship to a friend as a gift for a special occasion, sponsor a kennel in honor or in memory of a pet or person, or you can sponsor in the name of your company or community organization. Plaques will remain posted from March 1st – February 28th.

All donations are tax-deductible to the full extent allowed by law.

For more information, please contact Jackie Stickley, Executive Director at jackie@fapsnet.org or by phone (910)864-2077.
